

GENERAL CONDITIONS OF SALE OF PRODUCTS

The products contained in the virtual catalogue on the web page www.fptindustrialstore.com (hereinafter "Products") are offered for sale by: **Jakala S.p.a.** (hereinafter "Jakala") registered office in Via Carlo Tenca 14, 20124 Milano (MI), Italy Tax Code and VAT Registration number 08462130967 Register of Companies no. 803871.

Jakala is authorized by CNH Industrial Italia S.p.A.- (hereinafter called "CNH Industrial") which has ownership interest and license to use the Iveco Trademark, operate an e-commerce system designed exclusively for the sale of items related to the Trademark. For the purposes of the sales of the aforementioned items Jakala has no power of representation of the CNH Industrial.

1. APPLICATION OF GENERAL CONDITIONS OF SALE

These Terms and Conditions of Sale (hereinafter the "Terms") apply to all contracts of sale concluded by the procedure activated on the Site, provided that the customer is a consumer, i.e. a person who purchases Products for purposes unrelated to professional activities (hereinafter the "Customer"), excluding, therefore, the "Dealers" and "Internal Bodies." The terms and conditions of purchase of Products are governed by these Terms and Conditions, which are accepted by the customer and are an integral and essential part of any proposal and purchase order of Products (hereinafter together referred to as the "Agreement").

These Terms and Conditions are prepared in conformity with, among other things, the provisions of Legislative Decree 206/2005 (hereinafter the "Consumer Code"). The application of any other contractual terms is excluded, even if not expressly repudiated by Jakala. Before making the purchase, it is recommended that the customer carefully read these Terms and Conditions and is allowed to store, reproduce, copy and/or print them.

For any additional information, the customer should contact Jakala at the following e-mail address fpt@jakala.com

2. DESCRIPTION AND CHARACTERISTICS OF THE SERVICE FOR THE SALE OF PRODUCTS

The service for the sale of Products active on the Site includes the registration, access to selections, the choice of Products, the on-line transmission of the purchase agreement and any acceptance of on-line purchase orders, in compliance with Art. 50 to 61 of the Consumer Code.

2.1 Registration

To activate the service, the contractor must be registered following the registration procedure, accepting the above Terms and Conditions governing the contract for the supply of Products, as well as giving his/her consent to the processing of personal data.

The customer is required to protect the password with the utmost diligence, committing not to allow the use of the service by third parties not expressly authorized by him/her, assuming all responsibility for their online behaviour. In case of forgetting, theft or loss of password, the customer is required to activate the procedure for obtaining a new password on the Site.

2.2. Access

Access to the service is reserved for registered customers and occurs by entering the username and password in the appropriate section.

2.3. Purchase Order and acceptance of the Terms and Conditions

1. The customer may purchase only the products displayed at www.fptindustrialstore.com at the time the order is made, as described in the relevant information sheets.
2. Each purchase order at Jakala must contain clear indications about the Product code, its description, quantity, address, the recipient's name and a valid telephone number, necessary to complete the delivery.

The ordering process used on the Site includes the ability to detect and correct errors in data entry prior to the placing of the purchase order. The purchase order sent by the Customer constitutes a binding contractual offer for the customer in accordance with Art. 1326 of the Civil Code and, therefore, can not be changed or revoked by the Customer without prejudice to art. 8. By placing an order in the manner foreseen, the Customer declares to have read all the information provided during the purchase procedure and to accept the Terms and Conditions and terms of payment transcribed below.

The contract stipulated between Jakala and the Customer shall be concluded with the acceptance by Jakala which shall be formalized by e-mail within one business day following the receipt of the order, except in the case of payment by bank transfer, in which the contract is concluded with the confirmation of payment by Jakala via e-mail. Jakala will send the customer an order confirmation via email to the address indicated in the registration. Jakala reserves the right, for any valid reason, to refuse the order. In the case of non-acceptance of the order, Jakala must send a communication to the customer within the next day.

This confirmation message will include Date and Time of receipt of the order and a "Customer Order Number" to be used in any further communication with Jakala. The message will include all data entered by the customer, who agrees to verify its correctness and to communicate any corrections, according to the procedure described in this document.

It will also be available to view the pro-forma invoice on the website corresponding to the order which has just been made and confirmed. In case of payment by bank transfer, Jakala will send the Customer the confirmation of payment via e-mail to the address indicated in the registration. If after ten days of the creation of the order the transfer is not made, the order is cancelled.

The customer can also check the status of his/her order by accessing the dedicated web area entitled "My New Holland Store".

Jakala commits to ship the Products not later than four working days from the acceptance date of the order by Jakala, and to deliver free of carriage within five additional business days. It is understood that the execution of the order is subject to availability of products. In case of unavailability and/or non-acceptance of the Product, Jakala will promptly inform the customer to reimburse them for any sums already paid. In this case the customer is not entitled to other damages or compensation.

3. All prices on this site are understood as not including VAT. It is understood that Jakala is not required to provide any notice to customers in case of change in prices.
4. On the site www.fptindustrialstore.com the approximate amount of product available at time of order is displayed. Since the simultaneous access of many customers and the possibility of simultaneous "on line" orders affect product availability, Jakala does not guarantee the certainty of allocation of merchandise.
5. In the case of orders made by the customer, in quantities greater than those available on the website, which must in any case be made with commitment to purchase, Jakala reserves the right to refuse the order and to communicate the best methods and timing of delivery.
6. For certain products, subject to price promotions, Jakala reserves the right to accept orders by reducing their quantities, upon notice and acceptance by the Customer, failing which the order shall be deemed cancelled.
7. The Customer, once the online purchase process is complete, shall print or save an electronic copy, as well as keeping his/her own copy, of these terms and conditions, subject to the provisions of Legislative Decree 206/2005 concerning distance contracts .
8. The Customer is not entitled to any damages or compensation, nor any contractual or tort liability for direct or indirect damage to persons and/or property, caused by the non-acceptance, even partial, of an order.

2.4 Storage mode of the sales contract

The Terms and Conditions will be archived on the Site, in the appropriate section (General Terms of Sale) and the Customer will be able to access it at any time by following the procedure for display on the Site

3. CHARACTERISTICS OF PRODUCTS

The Products are shown on the website www.fptindustrialstore.com such that they correspond, insofar as possible, with the characteristics possessed, it being understood that Jakala does not guarantee an exact match to the reality of the images and colours as they appear on the monitor of the Customer; they are not binding and are subject to change at any time, as it is understood that the picture accompanying the description of a product can not be perfectly representative of its characteristics, and may differ in colour, size, and accessories present in the picture. The technical information included on the site and other characteristics such as size, compatibility or colour faithfully reproduce those of the manufacturers of goods.

Jakala therefore reserves the right to change the technical information of Products to match those provided by the manufacturer, without needing to provide any notice, provided that, in the case that the customer was misled by the above information, he/she may exercise the right of withdrawal set forth in Art. 8. The Products will be sold by Jakala complete with warranty provided by the Suppliers of the Products themselves.

The products shown on the site can be purchased until stocks are exhausted, it being understood that Jakala reserves the right, at any time, to not make available certain products and/or to modify their characteristics. Jakala also reserves the right to update, at any time and without notice, the website www.fptindustrialstore.com, eliminating certain products and/or adding new ones.

All Customers have the right to request, from Jakala, the minimum quantities indicated for each product in the catalogue, further customization of the Products themselves, according to the guidelines listed on the site, which Jakala commits to perform with an increase of the Final Price of the Price List, from time to time given to the customer in advance.

4. PRICES OF PRODUCTS

The price of Products is that resulting from the Price List published on the Site the day of the transmission of the order by the Customer and before the order is transmitted.

The Final Price includes standard packaging, marking/labelling, and the holographic sticker, thus excluding any customization required by the Customer, postage costs and the costs of any special packaging, which will be charged to the Customer.

For the EU countries, the Principality of Monaco and the Isle of Man, the Final Price will include VAT, the rate of which is determined in relation to the type of Product.

The prices of Products posted on the Site are always shown not including:

a) delivery costs (i.e. shipping charges), which depend on the weight and place of delivery; b) cost of any customisation of Products (where permitted); c) costs of any packaging and/or special packaging (if allowed).

All these costs (delivery, personalization and special packing/package materials), not included in the prices of Products posted on the Site, shall be separately listed in the order summary and confirmed in the e-mail of acceptance by Jakala as in Art. 2.3.

In addition, for deliveries to be made in Other States, in Campione d'Italia, Livigno, the Channel Islands and the Canary Islands, the prices of products posted on the website www.fptindustrialstore.com are always not including: a) any sales fees and/or taxes b) any customs fees and/or taxes c) any other tax and/or charge applicable to the delivery of Products ordered. The Customer will be responsible for paying all taxes and customs duties applicable in the country of delivery of the Products ordered. Any and all charges or costs relating to the clearance through customs of the Products delivered will remain the sole responsibility of the recipient of the delivery. For any information on the amount of taxes and customs fees and customs clearance in Other States and Campione d'Italia, Livigno, the Channel Islands and the Canary Islands, it is recommended that the Customer contact the Customs office of jurisdiction (www.agenziadogane.it/index.htm).

Notwithstanding the foregoing, Jakala reserves the right to modify the Price List and any discounts published on the Site at any time.

5. METHOD OF PAYMENT

The payment of the price of the Products ordered must be paid in advance of and can be made by credit card (Mastercard or Visa), bank transfer and PayPal.

5.1 Payment by credit card and Paypal

In case of purchase of the goods and payment by credit card or Paypal, together with the conclusion of the online transaction, the reference bank authorizes and debits only the amount of the purchase on the credit card of the Customer at the time of the actual sending of the ordered goods. Payment must be made online, in full, at the time of transmission of the purchase order. As a result, the Customer will be required to provide the details of the transaction in the purchase order and the charge request for the corresponding amount will be transmitted only once the order is completed. The transaction data sent during the transmission of the purchase order are not accessible to JK, nor to CNH Industrial Group, nor to third parties and are received on secure SETEFI servers (protected against unauthorized access), which they process payments on behalf of JK. When JK receives confirmation of payment, we will proceed with the preparation, confirmation and execution of the purchase order.

In case of refusal by JK, the same will ask for the cancellation of the transaction and at the same time the release of the amount in question.

The timing of release for some types of cards depend exclusively on the banking system and can reach their natural expiry date (24 days from the authorization date). Once requested the cancellation of the transaction, JK shall in no case be held responsible for any direct or indirect damage caused by the delay in the failure to release the amount committed by the banking system. JK reserves the right to request further information from the Customer (for example, landline number) or to send copies of documents proving the ownership of the card used. In the absence of the required documentation, JK reserves the right not to accept the order.

6. SECURITY OF TRANSACTIONS

The on-line transactions by credit card are made directly on site at the bank, through a Secure Server adopting the SSL security system (Secure Socket Layer). This protocol, Verisign certificate, allows you to communicate in a method designed to prevent the interception, alteration or falsification of information. Jakala is not aware of the credit card data used by its Customers.

At no time during the purchase process is Jakala able to know Customer credit card information, as this data is typed directly on the site of the bank handling the transaction (with very high security systems); since there is no transmission of data, there is no possibility for this data to be intercepted.

No Jakala data computer file contains or maintains such data. In no event can Jakala be held responsible for any fraudulent or illegal use of credit cards by a third party, at the time of payment of goods purchased on www.fptindustrialstore.com

7. DELIVERY

DELIVERY Pursuant to Art. 54 of the Consumer Code, the Products that are available in the Jakala warehouse will normally be delivered: (a) in Italy and in the EU States other than Italy, by the 10th working day following receipt of the order by Jakala and no later than the period specified by law from the receipt of payment by Jakala.

Delivery will be made according to availability and practice of the courier, by means of specialist carrier, with special packaging/packing prepared by Jakala, to the address given by the Customer.

The delivery times indicated by Jakala refer to the products present at its own warehouses and must be understood as not binding for Jakala, which can then confirm or change them, depending on its own needs. These could vary due to force majeure or because of traffic and road conditions in general or by act of the Authority.

Products will be delivered, properly packed and/or packed by the shipper chosen by Jakala, to the address specified by the Customer at the time of transmission of the purchase order. Upon receipt of the Products, the recipient shall immediately check that the Products correspond, also in number, to the Products ordered, provided that in case of discrepancy between the Products delivered with respect to the Products ordered, the customer can exercise the right of withdrawal referred to in Art. 8.

In case of delivery of Products not complying with the order placed by Customers, the latter shall have the right to cancel the order and receive a replacement product, without additional transportation costs, after an assessment of the items that are deemed non-compliant by Jakala.

The costs of shipping the non-conforming Product will be charged to the Customer.

The shipping charges indicated on the invoice will be calculated based on the weight of the goods (in accordance with the weight/volume ratio), the place of delivery of the products, and to the shipping type (standard / express) following the below tables, with insurance included.

The shipping costs indicated on the invoice are calculated based on the weight of the goods (according to the weight / volume ratio), the delivery location of the products and the shipping method (standard / express).

the site, Jakala issues a delivery note for the material sent, valid also for the guarantee. For the issue of the delivery note, the data provided by the Customer at the time of the order shall be proof of the date.

Following the shipping will follow the dispatch of the invoice to the e-mail address entered when registering on the site www.fptindustrialstore.com Shipping costs are charged to the Customer and are shown explicitly at the time of order placement. The payment for goods by the Customer will be done using the method chosen when ordering. The delivery of ordered goods is understood as to the place of residence but not to the apartment floor. Upon delivery of the goods by the courier, the Customer is required to check: 1- that the number of packages delivered is the same as indicated on the waybill; 2 – that the packaging is not damaged or wet or otherwise altered.

Jakala commits to replacing, free of charge and at their own expense, products damaged in transit, provided that in case of damaged packages, it will be the responsibility of the Customer to sign the corresponding delivery note, subject to enforce any liability of the courier and reintegrate immediately the amount that may be missing or damaged during transport, with a bill showing the following reason: free assignment in guarantee carriage paid (for transport of extremely fragile items Jakala will be obligated to warn Customers before delivery and invite them to sign the delivery note with reservation). Consequently, any external damage or the mismatch in the number of packages must be immediately reported to the courier who makes the delivery, rejecting the goods and stating the reason or withdrawing it and adding the message "subject to control" on the appropriate accompanying document; all claims must then be reported immediately to the e-mail address fpt@jakala.com. Command must be accompanied by photographs that certify the actual state of damage of the product.

Once the courier slip is signed without objection about the condition of the packaging, the customer can not make any objection later. While the packaging is intact, the goods must be verified within eight days of receipt. Any damage or malfunction must be notified promptly by email to the above references. Any notification beyond these terms will not be taken into account. For each statement, the Customer assumes full responsibility for what is stated.

In processing purchase orders of Customers, Jakala is committed to comply with the terms of Article 8 of the Agreement, which are to be considered as essential.

7.2. Pick in Store

The order placed online can also be collected at the headquarters [LT / JK] at the following address: Via Ferdinando Santi 1/2 Nichelino (TO) Italy. The customer can choose this option when he must enter the delivery address, selecting the "pick in store" option. The preparation time of the order is 3 working days while the maximum withdrawal time is 2 weeks, since the customer has received confirmation via e-mail that the goods are ready. The times for picking up the goods are: 9.00-12.00 / 14.00-16.00. It is necessary that the customer communicate in advance to the customer service the date on which the goods will be collected by writing an email to fpt@jakala.com. For orders in which the "pick in store" option has been selected, no transport costs will be charged.

8. RIGHT OF WITHDRAWAL

Pursuant to Art. 64 et seq. of the Legislative Decree n. 206/2005, if the Customer is a consumer (ie a natural person who purchases the goods for purposes not related to his profession), has the right to withdraw from the purchase contract for any reason, without any penalty and without prejudice to the followed below:

1. To exercise this right, the Customer must link to his profile and, once logged in, start the online return procedure. . This right of withdrawal is considered valid for 30 days after the date of issue of the transport note. Once the product has been received and checked by JK, the customer will receive a refund on the bank details previously indicated or on the credit card or PayPal account used at the time of purchase. When the process has been completed, the status of the return will also be updated on the customer profile. JK undertakes to make the repayment by the tenth day of the month following the date of return. The customer, at his own risk and expense, must return to JK, at the above address, the items purchased intact and complete (including the original packaging) within 10 working days. For the sole purpose of the end of this period, the Products are considered returned when they have been delivered to the courier or post office.
2. In the event that the returned products are damaged during transport for delivery to JK, the latter will inform the Customer of such damage within the second business day following receipt of the Products, to enable him to inform his once the courier and discuss with him the question, at the same time, return the Products damaged during transport, at your own risk and at your own expense.
3. The right of withdrawal is subject to the following binding conditions:
 1. This right applies to products purchased in their entirety; it is not possible to exercise the withdrawal only on part of the purchased product (for example accessories, software, peripherals, etc.);
 2. In addition, if the Product is composed of different Products (kit or set of Products), the withdrawal will apply to the entire kit or set of Products and can not be exercised only for some components of the kit or set. The customized products are excluded from the right of withdrawal .
 3. The goods purchased must be intact and returned in the original packaging, complete with all its parts (including packaging and any documentation and accessory equipment: manuals, parts, cables, etc.); to limit damage to the original package, it may be necessary, when possible, to place it in a second box; in any case you should avoid applying labels or adhesive tapes directly on the original packaging of the product;
 4. the goods subjected to the exercise of the right of withdrawal must be returned in normal conditions, as it has been stored and used according to reasonable care: the used products that show signs of damage or dirt will not be accepted, and therefore can no longer be considered integral;
 5. if the goods are damaged during transport, JK will notify the Customer within the second business day following receipt of the products, to allow him to promptly submit a complaint procedure against the courier chosen by him and request reimbursement of the value of the asset (if insured); in this case, the product will be made available to the customer for his return, simultaneously canceling the request for withdrawal;
 6. JK is not responsible in any way for damage or theft / loss of goods returned by uninsured shipments;

7. The withdrawal does not apply to audiovisual products or sealed software, if the customer has opened the seal.

8. The withdrawal for incorrectly ordered product does not require replacement with the desired product. In the event of an error, the customer must send the product back, receive a refund, and eventually order the desired product.

The costs and risks of transport for the return of the asset are charged to the customer. The shipment, until the certificate of receipt in the warehouse of JK, is entirely at the customer's expense. The return of products damaged, deteriorated, dirty due to their use, with compromised integrity or lack of original accessories and equipment, will not be accepted by JK and will be returned to the sender with the payment of the transport costs. In case of forfeiture of the right of withdrawal, JK will return the goods purchased to the sender debiting the shipping costs.

9. WARRANTY

9.1. Legal warranty

Under Articles 128 to 135 of the Consumer Code, Jakala guarantees that the Products purchased online are free from defects and conform to what is stated in section 3. The Warranty on the Products is provided by the manufacturer in accordance with the applicable rules. Any defects or non-conformity of Products must be reported promptly by the Customer and within the terms of the law to the e-mail address: fpt@jakala.com.
